ANNOUNCEMENTS

See the men's \$3.50 shoes in latest styles, patent leather, wine calf and gun metal that Frank A, Bill offers. Alling Rubber Company in New Quarters.

The second of the new stores in Shannon building is now occupied by the Alling Rubber company.

This enterprising firm opened their first store in Norwich twenty-two years ago, and by fair dealing, close attention to business, ever on the alert for the best goods from reliable manufacturers, they have steadily forged ahead from year to year, opening new stores in various cities, until they now own and operate fifteen stores in as many cities, and are recognized as the own and operate fifteen stores in as many cities, and are recognized as the largest wholesale and retail dealers in rubber goods in New England. Certainly Norwich is fortunate in having such a rubber store and we bespeak for them still greater success in their new store, at 191 Main street, Shannon building.

BREED THEATER.

"A Debt Repaid," Thrilling Indian Story.

Without doubt, the bill at the Breed theater for the balance of this week is one of the best seen there this season, and carries an exceptionally strong dramatic picture, entitled A Debt Repaid, which is a fascinating and thrilling story of an Indian's gratitude. Swift Arrow, the Indian hero, is assisted by the belle of the western town, who discovers him beside a stream with a broken limb. She carries him to her home, and nurses him back to health with the assistance of her father. When he departs, he displays a keen sense of appreciation, and vows never to forget her. one of the best seen there this season never to forget her.

AUTOISTS IMPROVING ROAD. Torrington Men Assume Expense of Highway Work in Harwinton.

The Torrington members of the Litchfield County Automobile Club have assumed the contract recently awarded by the town of Harwinton to J. W. Chanley, of Fluteville, for surfacing the road in that town between East Litchfield and Castle's Bridge.

A force of men was put at work yestenday, and the automobilists expect to the first the literature of the literature pect to rush the job to an early com-pletion. The expense incident to the improvements will amount to \$200 or

more and will be met by voluntary contributions from the individual automobile owners of this town. The Litchfield County organization has no part in this enterprise.—Torrington

\$422,063.28 To meet the expenditures called for by their estimates a tax of nine mills on the last city list will be required, said list being \$12,\$28,172.

In view of recent increases in local taxation for town purposes, your Committee have made every effort to reduce the rate of city taxation and the above estimates are deemed to be such as will fully and fairly meet the expenses of economical administration and of such permanent improvements as are at this time absolutely necessary.

To be raised by tax..... 115.453.55

Sewers Bank and insur-ance taxes

In addition to the above estimated expenses for ordinary purposes of the Government, the Committee on Finance have been requested by petition, committee reports, etc., to bring before the next annual meeting for its action, extimates of the cost of the following expenditures and improvements prayed for, to wit:

of Shetucket street, Petition No. 1
For brick paving Main street from Rose place to west side of Market street, Petition No. 2
For macadamizing Main street in the Sixth district from the present macadam to the junction of Main street and Hamilton avenue
For a sewer in Oneco street from Sachem street to a point near the intersection of Oneco street with Williams street

The sum of these estimates is equal to about two mills on the grand list.
Your Committee recommend that the warning for the next annual city meeting include the last named estimates and a call for action thereon.
Your Committee further recommend the adoption by the Court of Common Council of the following resolution:
Resolved. That the report and estimates of the Committee on Finance be accepted and approved: that the Clerk cause the same to be published, as required by the amended charter, and that the Mayor, or, in his absence, the Senior Alderman present, be directed on behalf of the Court of Common Council to submit the estimates embraced in this report to the next city meeting to be held on the first Monday of June next, and to recommend that a tax of nine mills be laid on the last perfected grand list of the city.

Are You Interested

In seeing the cities of Nor-wich and Hartford connected by a trolley line? Assuming that you are, the following facts are submitted to you for your con-sideration:

a. Over \$200,000 of the 6 per cent. Cumulative Preferred Stock of the Norwich, Colchester & Hartford Traction Co. have already been subscribed.

By the building of this b. By the building of this trolley line more than 170,000 people would be served. Outside of the terminal cities of Norwich and Hartford, the road would pass through the villages of Yantic, Fitchville, Bozrah, Colchester, North Westchester, Mariboro, Buck's Corners, Nipsic, East Glastonbury, Addison Hilltown and East Hartford.

c. The average population per mile would be over 4,200, which would form a fair basis upon which to figure passenger earnings. The freight and express shipments must of necessity be large owing to the active business and manufacturing centers through which the trolley would pass.

d. Comparing the benefits that Norwich has received in the past, as a result of trolley extension, are you not in hearty sympathy with this effort to add another road to the list and to place our city within 1½ hours of the capitol city of the state?

Subscriptions to \$100,000 of this stock, the balance of the authorized issue, are new solicited in large or small amounts and your co-operation in this proposition is asked for.
